**Assemble Base:**

Using sponge, distress edges of DSP with Chocolate Chip  
 Stamp desired name on Very Vanilla CS in Teal; distress edges with Really Rust  
 Center and adhere smaller DSP piece to one side of place card; cover other side with larger DSP piece  
 Center and adhere name tag on side completely covered with DSP  
 Stamp "Happy Thanksgiving" sentiment in Really Rust on Very Vanilla CS and punch out with 1" punch  
 Center and Adhere Sentiment on Taken With Teal Circle and put aside

**Assemble Turkey:**

Distress Edges of Scalloped Circles with Close to CoCoa  
 Adhere Mustard and Rust Scalloped circles side by side (overlapped about 1/2")  
 Adhere Creamy Caramel Scalloped Circle over center of joined Scalloped Circles using Sticky Strip at the bottom and dimensional at top  
 Assemble body of Turkey with remaining pieces (small pieces should be adhered with Tombow Multi purpose adhesive):  
 To make the feet, cut each foot from medium Pumpkin Pie flower  
 To make the beak, cut a petal from the More Mustard small flower  
 To make the wattle, just use the small Ruby Red heart, turned upside down.  
 Distress your turkey body when it's Finished AND DRY with Close to Cocoa  
 If you like, Draw some feathers in with a Chocolate Chip marker

**Finish Project:**

Adhere the turkey body to the back feathers using sticky strip on the bottom and a stampin dimensional on the top  
 Adhere your finished turkey to the left side of tent card (without name) using sticky strip and the "Happy Thanksgiving" to the right side of turkey using a dimensional.
